

# Measurement Sheet for Deep Self-Knowledge

All parameters are measured at the level of the self. The values obtained from the questions below are expressed as percentages (0–100):

- ◆ How much was one wanted to be born?
- ◆ How much did the world love one at birth?
- ◆ How much does one love the world now?
- ◆ How much did one love life at birth?
- ◆ How much did one love life now?
- ◆ How much does one love oneself?
- ◆ How much does one love people?
- ◆ How much does one love their physical body?
- ◆ What percentage of personal suffering has causes in this lifetime?
- ◆ What percentage of personal suffering has causes in previous lifetimes?
- ◆ To what percentage has the relationship with the mother healed?
- ◆ To what percentage has the relationship with the mother healed?
- ◆ To what percentage does one self-sabotage?
- ◆ How high is one's self-esteem?

Divine right regarding money (to see whether there are blockages in the person's financial flow).

## List of measured parameters:

- ◆ **DH at birth** (inner light at the moment of birth)
- ◆ **Current DH** (inner light at the present moment)
- ◆ **VA** (astral age of the spirit)
- ◆ **SK** (kundalini serpent, the seals)
- ◆ **SN** (what percentage the person currently has of the soul received at birth)
- ◆ **EBF** (the benefit a person brings)
- ◆ **RVD** (fulfillment of the divine will)
- ◆ **PD** (divine protection)
- ◆ **GC** (degree of cleansing of the fields)
- ◆ **SS** (state of health)
- ◆ **SV** (state of vitality)
- ◆ **Divine Right to money**
- ◆ **Divine Right to have a partner (couple)**
- ◆ **Divine Right to have children**
- ◆ **Total MP** (what percentage of the person's total personal mission has been fulfilled so far)
  - ◆ **Personal karma** (what percentage has been paid so far from the person's ancestral karma)
  - ◆ **Ancestral karma** (what percentage has been paid so far from the person's ancestral karma)

# Workplace Assessment Sheet

## Measured parameters:

- ◆ Person's compatibility with the workplace (how suitable / prepared / competent the person is for that position).
- ◆ Workplace compatibility with the person (how well the job is aligned with the person's structure and how well it meets their needs on all levels).
- ◆ Current EBF (benefit) of the workplace for the person.
- ◆ Future EBF (prospective benefit) of the workplace for the person.
- ◆ RVD of the person toward the workplace (the extent to which this workplace is aligned with divine will).
- ◆ Daily personal mission toward the workplace (the percentage of what the person actually does daily out of what they are meant to do in relation to the workplace).
- ◆ Total personal mission toward the workplace (the percentage already fulfilled of the person's overall mission related to that workplace).
- ◆ RVD (divine will) for changing the workplace.
- ◆ Current EBF for changing the workplace.
- ◆ Future EBF for changing the workplace.
- ◆ RVD for changing the profession/field of activity.
- ◆ Current EBF for changing the profession/field of activity.
- ◆ Current EBF for changing the profession/field of activity.
- ◆ Future EBF for changing the profession/field of activity.
- ◆ Future EBF for changing the profession/field of activity.
- ◆ Divine right regarding money (to see whether there are blockages in the person's financial flow).

# Couple Relationship Compatibility Assessment

A = the client (the person requesting the assessment)

B = the client's partner

## Assessment Criteria:

- ✦ **Compatibility of B with A in the following dimensions (expressed as percentages):**
  - ✦ Physical
  - ✦ Emotional
  - ✦ Mental
  - ✦ Spiritual
- ✦ **Degree of divine alignment of the relationship between A and B (overall alignment with divine will).**
- ✦ **Benefit of the relationship for A – both present benefit and long-term potential.**
- ✦ **Degree to which A acts in alignment with divine will toward B.**
- ✦ **Degree to which A fulfills their daily personal mission in the relationship with B.**
- ✦ **Degree to which A has fulfilled their overall personal mission in the relationship with B to date.**
